New A2O course available: AARP Medicare Plans Program Overview

A new course, the **2013 Authorized to Offer (A2O) AARP Medicare Plans Program Overview**, is available via the [Distribution Portal](#) Learning Center. This new interactive course provides an overview on these topics:

- A2O program requirements for A2O Level 1 and Level 2
- Benefits of each A2O level
- Access to AARP®-branded content and materials
- Quality production minimums

About the A2O Program

The A2O Program is designed to recognize agents who have met and continue to meet all certification standards; demonstrate competency on AARP Medicare Plans, insured by UnitedHealthcare Insurance Company; and serve the best interests of AARP members.

This course is optional and provides information about the A2O program. It does not replace the AARP Mature Markets course required for A2O Level 2 status. If you were invited to A2O Level 2, please complete the AARP Mature Markets course listed under Product Certification.

Access to the course

Access the 2013 A2O AARP Medicare Plans Program Overview via the [Distribution Portal](#) at: **Learning Center > Welcome Page > Online Elective Courses > 2013 Authorized to Offer (A2O) AARP Medicare Plans Program Overview.**
